

Parents,

It's time to sign up for 2019-20 busing! CMS and CHS students/parents may fill out electronically or paper forms are in each school office. All elementary students were given a paper form to take home for parents to complete. You may either return the completed paper form or click on the following school-appropriate link to fill one out electronically. You may also call us at 646-6309 or email us at transadmin@chillicotheschools.org

Please don't wait hoping to make busing arrangements at the school's Open House or Registration since we won't be doing that. Routes need to be set before then. Thanks for your help!

Not all students are eligible for bus transportation. In most cases, students must live 1 mile from attending school to qualify. Exception for Dewey (4th/5th grades) is if railroad tracks run between home and school or if student lives east of Washington St; Field students (2nd-3rd grades) is if railroad tracks run between home and school and if student lives west of Washington Street; for CMS is if railroad tracks run between home and school.

All CHS and CES students are eligible for busing.

Responses are needed by May 10. Thank you!
