

Dear Dewey School Families,

Welcome to the opening of what promises to be a wonderful school year! At this time of the year, there is great anticipation of what is to come, and I am as excited as the Dewey teachers, children and parents about the learning that will take place here at Dewey.

A big thank you to the Dewey summer custodial staff, Rick McCully and Marie Kitchen, who have been working very hard throughout the summer to make our school shine!

Together, teachers, students, parents/guardians and community make a strong Dewey family. We appreciate your support as your child enters the classroom, learns and grows throughout the year. Let's all commit to having a good school year, setting everyone, students as well as teachers, up for success!

Mark your calendars! Dewey teacher will host an Open House for parents and students on Monday, August, 17, between 4:00-6:00 p.m. Students may bring school supplies to their classroom and meet the teacher!

We are excited to have Julie Chastain, Tammy Price and Erin Pohren working on our staff this year! Julie will be teaching Special Education, Tammy will be teaching Special Education/Behavior Interventions and Erin will be our Art teacher. We are very excited for them to be part Dewey Family!

We are ready to begin the 2015-2016 school year. The teachers have put a lot of time and energy getting ready for the year. I am impressed to see the dedication of our staff, preparing all summer for the school year. At Dewey Elementary, the staff, faculty and administration are honored that you entrust us with your precious ones. The hours that your children are with us each day are so important. Please feel free to stop by during the year to see the great things going on! We are excited and looking forward to a great year!

Sincerely,

Abby Smith  
Principal  
Dewey Elementary
