

**Field Elementary School**  
**C-T Back to School Letter**  
**Aug. 2015**

Greetings from the teachers and staff at Field Elementary! Although summer has not ended, we are gearing up for another fantastic school year. The teachers and staff at Field Elementary have each taken time to relax and recharge and are now busy preparing rooms for the first day of school, August 19<sup>th</sup>. Long before that first bell rings, numerous hours will have been spent getting everything in place for your child. We have a dedicated bunch and I know your second or third grader will enjoy learning at Field Elementary.

Our custodians, Ron Rader and Richard Gibson deserve a big pat on the back for their work in cleaning and maintaining the building. District maintenance workers have inspected and repaired all major equipment to ensure we will be working at our best once school starts.

The staff at Field Elementary welcomes Mrs. Amanda Gott! Mrs. Gott was teaching Special Education classes at Dewey School last year and will continue in that role at Field. She is a Northwest Missouri State Graduate, married and has one little girl. Also joining Field Elementary this fall is Ms. Jill Allen. Ms. Allen is our Alternative School teacher for grades 2-5. Some of our staff are transitioning into different roles this school year. Miss Kelly Griffith will serve our English Language Learning population and help teach Title Reading. Mrs. Kim Marshall replaces the retired Mary Turner as full-time Title Reading teacher. Mrs. Jaryn Schneider will be teaching third grade and Mrs. Erin Pohren will be teaching K-2 Art. The school nurse will be Mrs. Heidi May.

Open House is scheduled for Monday, August 17<sup>th</sup> from 4:00-6:00 PM. Stop by Dewey (K,1), Field (2,3), or Central (4,5) at this time to meet your child's teacher and visit the schools. This is also a perfect time to drop off school supplies. Our local retailers have supply lists for your convenience or you can visit the [district website](#). If you haven't had time to register your cell phone and sign up to receive Hornet Alerts you can also do that from our [district website](#). Once completed you will begin receiving important texts and updates regarding the district.

The office is open and Mrs. Boon can assist you with back to school questions. To reach the school, please call 660-646-2909. Have a question about busing? You can reach Terry or Beth at the Bus Barn by calling 660-646-6309.

I look forward to seeing you on August 17<sup>th</sup> and I look forward to another great school year beginning on August 19<sup>th</sup>.

*Please note the first day of school will be a regular school day, 8:00-2:55.*

Go Hornets!
